## Scavenger Hunt

Print out each of the pages from the appendix and place them in an envelope with the location name on it. Hide the envelopes around the room, noting their locations on this chart. Then write 2-3 clues to give when the players roll successfully to search the area. For example, if you hide an envelope in a bookcase, you might give a clue like, "It's in a place where paperbacks rest."

Location	Hiding Spot	Clues	Contents
